## It's a Wonderful Time of Year!

The daylight is shorter. There's more urgency to be busy, faster. To bake those cookies. Work on that puzzle. Play or work outside. Figure out what nice things to do for each other. It's a cozy time of year. Strong smells of pumpkin, turkey, peppermint. It's a crisp time of year! All good! All friendly.

And come evening, or possibly just a cloudy day, it becomes exciting! The lights come on! Where can we go? Bright Nights and Look Park's Holiday Lights are both delightful throughout December! Or just driving through colorful, brightly lit up neighborhoods can be fun!

And when it's time to return home, it's time to eat some of those cookies! Drink some marshmallow bobbing hot chocolate! And settle in all nice and toasty to watch Charlie Brown, or that parade that was on earlier, or the dog show, or just listen to your favorite music.

What a Wonderful Time of Year!
