WHOLE CHILDREN™
+
MILESTONES

WHO ARE WE?

At **Whole Children™** and **Milestones**, children, teens and adults have freedom to pursue their interests, build skills, and develop deep friendships in all of our recreational and social classes.

We offer weekly after-school and Saturday classes taught by skilled instructors, and most classes have a student-to-teacher ratio of 3:1 or less.

Whole Children™'s mission is to provide skill-building and enrichment for children and teens up to the age of 18, specifically designed for those with disabilities and/or autism. We've successfully provided this service for two decades, creating a place where the people we serve are welcomed and respected.

Milestones Recreation provides a similar experience for adults ages 18+. This program was created as our individuals grew out of Whole Children™. Alongside enriching and fun classes, Milestones Recreation helps individuals learn more about building healthy relationships.

CLASS DESCRIPTIONS:

ANIME LUNCH CLUB

Saturday 11 a.m.–12:30 p.m. | Ages 13+

Relax and watch anime with friends! Many people think of anime as a genre, but it's actually another way that stories can be told with many different genres to explore. This class offers a forum for everyone to share their favorite shows with each other, which treats us to a large variety of storytelling and art.

Anime can contain both constructive and somewhat questionable messages about society and values, so teachers invite students to participate in a thoughtful discussion while also cracking a few jokes and gushing about our favorite characters. Because we are watching during lunchtime, feel free to bring a nut-free meal or snack with you!

ART

Saturday 1–2 p.m. | Ages 13+

We do a little bit of everything in this class – drawing, painting, fiber arts, collage and more! This class is for everyone with an interest in exploring the visual arts, whether you're already an accomplished artist or someone looking to discover your creative side.

All the art supplies used in our traditional art class (Art Explorations) are available for students. There are planned projects for you to try or guidance and support on how to work on your own. Join us and share your love of art with friends in a chill fun environment!
